Pete: Attached is a draft of the consolidated Limetree Bay/HOVENSA fact sheet you requested yesterday. We are assembling a series of background documents which we will send shortly; these will include the CD modification chart showing the 27 requests made by LTB; a timeline for the CAA CD and permitting; the letter from Bill Wehrum responding to various CAA permit issues raised by LTB; the fact sheet prepared for OECA focused on the CD/enforcement issues and other fact sheets focused on the CWA and RCRA issues. Please let us know if you would like any changes to the consolidated fact sheet. Thanks.
